**NOTICE OF ANNUAL GENERAL MEETING**

NOTICE IS HEREBY GIVEN THAT THE ANNUAL GENERAL MEETING OF VSJ INVESTMENTS PRIVATE LIMITED WILL BE HELD AT G-12 GR FLOOR, RAHEJA CENTRE, FREE PRESS JOURNAL MARG, NARIMAN POINT, MUMBAI - 400021 ON FRIDAY, 29<sup>TH</sup> SEPTEMBER, 2023, AT 11.00 A.M. TO TRANSACT THE FOLLOWING:

**AS ORDINARY BUSINESS:**

1. To receive, consider and adopt the balance sheet as at 31st March, 2023 and statement of profit and loss and cash flow statement of the Company for the year ended as at that date, alongwith schedules and annexures thereto and the reports of the Directors and Auditors thereon.

2. To appoint Auditors to hold office from the conclusion of this meeting until the conclusion of the Annual General Meeting to be held in the year 2026 and to fix their remuneration.

“RESOLVED THAT pursuant to the provisions of Section 139 and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification or re-enactment thereof for the time being in force) and the Rules made there under, as amended from time to time, the appointment of M/s. Mehta Singhvi & Associates, Chartered Accountants (FRN. 122217W) as Auditors of the Company to hold office from the conclusion of this Annual General Meeting (AGM) till the conclusion of the AGM of the Company to be held in the year 2026 to examine and audit the accounts of the Company, on such remuneration as may be mutually agreed upon between the Board of Directors of the Company and the Auditors.”

**AS SPECIAL BUSINESS:**

1. Appointment of Mr. Vidhan Mittal (DIN No 02721758) as an Independent Director of the Company.

To consider and if thought fit, to pass, with or without modification, the following resolution as an **Ordinary Resolution:**

“RESOLVED THAT pursuant to the provisions of section 149, 150, 152 and other applicable provisions, if any of the Companies Act, 2013 and rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) read with schedule IV of the Companies Act, 2013 Mr. Vidhan Mittal who was appointed as an Additional Independent Director of the Company on 6<sup>th</sup> April, 2023, who has submitted a declaration that he meets the criteria for Independence as provided under section 149(6) of the Companies Act, 2013 and is eligible for appointment, be and is hereby appointed as a Non-Executive Independent Director of the Company to hold office for a period of 3 consecutive years commencing from 6<sup>th</sup> April, 2023.

**"RESOLVED FURTHER THAT** in order to give effect to the above resolution, any Director of the Company and Company Secretary be and are hereby severally authorized to do all such acts, deeds and things including filing of necessary forms with the Registrar of Companies to give effect to the above resolution."

Place: Mumbai,  
Date: 8<sup>th</sup> September, 2023

**BY AND ON BEHALF OF THE BOARD OF  
VSJ INVESTMENTS PRIVATE LIMITED**

SHYAM JATIA  
Director  
DIN No.: 00049457

Notes:

1. An explanatory Statement as required under Section 102 of Companies Act, 2013 in respect of the business specified above is annexed hereto.
2. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and on a poll, to vote instead of himself. The proxy so appointed need not be a member of the company. The Proxy form duly Completed should be deposited at the registered office of the company not less than Forty-Eight hours before the commencement of the meeting.

Annexure to Notice: Explanatory Statement under Section 102 of the Companies Act, 2013,

The following Statement sets out all material facts relating to the special business mentioned in the accompanying Notice

**SPECIAL BUSINESS****ITEM NO 1:**

The Board of Directors of the Company had appointed Mr. Vidhan Mittal as an Additional Independent Director of the Company with effect from 6<sup>th</sup> April, 2023 and pursuant to the requirements of the Act, it is proposed to seek approval of the members to appoint Mr. Vidhan Mittal (DIN No 02721758), as an Independent Director for a term of three years commencing from 6<sup>th</sup> April, 2023. Mr. Vidhan Mittal shall not be liable to retire by rotation as provided under Section 152(6) of the Companies Act, 2013.

Further the Company has received from Mr. Vidhan Mittal, a consent in writing to act as Director in form DIR -2 pursuant to Rule 8 of Companies (Appointment and Qualification of Directors) Rules, 2014, intimation in Form DIR-8 in terms of Companies (Appointment and Qualification of Directors) Rules, 2014 to the effect that he is not disqualified under sub-section 2 of Section 164 of the Companies Act, 2013 and a declaration of independence.

In the opinion of the Board, Mr. Vidhan Mittal fulfills the conditions specified in the Companies Act, 2013, for appointment as Independent Director of the Company.

None of the Directors or Key Managerial Personnel and their relatives, except Mr. Vidhan Mittal, are concerned or interested (financially or otherwise) in this Resolution.

The Board commends the Ordinary Resolution set out at Item no. 1 for approval of the Members.

Place: Mumbai,  
Date: 8<sup>th</sup> September, 2023

BY AND ON BEHALF OF THE BOARD OF  
**VSJ INVESTMENTS PRIVATE LIMITED**

SHYAM JATIA  
Director  
DIN No.: 00049457

**CAPITAL & RESERVES**

Company's Authorized Share Capital is Rs. 510,00,00,000/- divided into 50,00,00,000 Equity Shares of Rs. 10/- each and 10,00,000 14% Non- Cumulative Redeemable Preference Shares of Rs. 100/- each.

The Company's Paid up Share Capital is 26,71,72,500 Equity Shares of Rs. 10/- each. and 10,00,000 14% Non- Cumulative Redeemable Preference Shares of Rs. 100/- each.

The Reserves of the Company stood at Rs. 592.72 Lakhs as on 31st March, 2023 as against Rs.434.49 Lakhs as on 31st March, 2022.

**DIVIDEND**

The Directors have not declared any dividend for the year.

**REVIEW OF OPERATIONS**

During the year under review the revenue of the Company has increased from Rs. 594.92 lakhs in the Financial Year 2021-22 to Rs. 24,893.87 lakhs in the Financial Year 2022-23 thereby increasing the profits of the Company from Rs. 76.12 lakhs in the Financial Year 2021-22 to Rs. 159.53 lakhs in the Financial Year 2022-23.

**MAINTENANCE OF COST RECORDS**

Maintenance of Cost Records as specified by the Central Government under Section 148(1) of the Companies Act, 2013, is not applicable to the Company and hence such accounts and records are not made and maintained by the Company.

**CHANGE IN NATURE OF BUSINESS OF THE COMPANY**

During the period under review, there was no change in nature of business of the Company. The Company is a systemically important Non Deposit accepting Non-banking Financial Company (NBFCND-SI) registered with the Reserve Bank of India.

**MATERIAL CHANGES AFTER THE CLOSE OF THE FINANCIAL YEAR**

There are no material changes affecting the financial position of the Company after 31st March, 2023.

**SUBSIDIARY COMPANIES**

The Company does not have any Subsidiary Company.

**PERFORMANCE AND FINANCIAL POSITION OF THE SUBSIDIARIES**

This is not applicable to the Company.

**PUBLIC DEPOSITS**

The Company being a “Systemically Important non-deposit taking Non-Banking Financial Company”, has not accepted nor invited any deposits from the public during the period under review within the meaning of Section 73 of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 and shall not accept any deposits from the public without obtaining prior approval of the Reserve Bank of India. Since the Company has not accepted nor invited any deposits, there are no amounts that remained unpaid or unclaimed as at the end of the year under review. As per the Reserve Bank Master Direction issued by the Reserve Bank of India, a resolution in this regard has also been passed by the Board of Directors at its meeting held on April 6, 2023.

**BOARD OF DIRECTORS AND KMP**

The composition of the Board of Directors of the Company is in accordance with Companies Act, 2013 (hereinafter referred to as “the Act”). The Company has the following seven (5) Directors on its Board, 2 (two) of them are Independent Directors. The Company has one Company Secretary.

Sr No	Name	Designation
1.	Mr. Shyam Jatia	Executive Director
2.	Mrs. Vandana Jatia	Director
3.	Mrs. Meenal Patodia	Director
4.	Mr. Arvind Kumar Somany	Independent Director
5.	Mr. Hariom Sarda	Independent Director

MEHTA SINGHVI & ASSOCIATES, Chartered Accountant, Mumbai (Firm Registration No. 122217W), the retiring Auditor have furnished to the Company the required certificate under Section 139 of the Companies Act 2023, and are therefore being eligible to offer themselves for reappointment as the Auditors of the Company for the period of 3 years.

**FRAUDS REPORTED BY AUDITORS UNDER SECTION 143(12), OTHER THAN THOSE WHICH ARE REPORTABLE TO THE CENTRAL GOVERNMENT.**

The Statutory Auditors have not reported any incident of fraud to the Board of Directors of the Company.

**INTERNAL AUDITORS**

M/s ASHISH GHADIGAONKAR & ASSOCIATES, Chartered Accountants (Firm Registration No. 141937W) has been appointed as an Internal Auditor of the company for the Financial Year 2022-23.

**INTERNAL FINANCIAL CONTROLS AND ITS ADEQUACY**

The Company has adequate internal financial controls in safeguarding and ensuring proper preparation and presentation of the Annual statements.

**ISSUE OF EQUITY SHARES WITH DIFFERENTIAL RIGHTS, SWEAT EQUITY, ESOS ETC., IF ANY**

The Company has not issued shares with differential voting rights nor granted stock options nor sweat equity during the period under review.

**BUSINESS RISK MANAGEMENT /RISK MANAGEMENT POLICY**

Being in the lending business, risk management forms a vital element of our business. The Company has a well-defined risk management framework, approved by the Board of Directors. It provides the mechanism for identifying, assessing and mitigating risks.

The Company has adopted its own Risk Management policy that represent the basic standards of risk assessment to be followed by the Company. The Board is responsible for managing risk at an overall

level to do this. The Board has delegated authority for overall risk management to the Risk Management Committee (RMC) to ensure focused oversight and committed board level capacity for this task.

The Board has constituted the Asset Liability Management Committee (ALCO) to assess the risk arising out of liquidity gap and interest rate sensitivity.

### **DISCLOSURE OF RELATED PARTY TRANSACTIONS**

All transactions entered into with Related Parties as defined under the Companies Act, 2013 and during the year under review were in the ordinary course of business and at an arm's length basis except the rent agreement between the Company and Vandana Jatia Family Trust which was not at arm's length, but the Company has followed all the compliances as per the provisions of the Companies Act 2013.

There were no materially significant related party transactions entered into by the Company which may have potential conflict with the interest of the Company. All contracts/arrangements/transactions entered by the Company during the Financial Year 2022-2023, with its related parties, were in the ordinary course of business and were noted by the Audit Committee of the Board. Further during the Financial year, the Company has not entered into any contract/arrangement/transaction with related parties which could be considered material in accordance with the Company's policy of Related Party transactions except those provided in Form AOC 2, annexed hereto. Further, suitable disclosure as required by the Accounting Standards has been made in the Notes to the Financial Statements.

The policy on Related Party Transaction, as approved by the Board is displayed on the website of the Company at: <https://vsjinvestments.com/policies-and-code/>

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF  
VSJ INVESTMENTS PRIVATE LIMITED

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of **VSJ Investments Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended and notes to the standalone Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a

whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Sr. No.	Key Audit Matter	Auditor's Response
I	<b>Transition to IND AS accounting Framework</b>	<b>Our audit procedures are as under:</b>
	<p>In accordance with the roadmap for first time implementation of IND AS for non-banking financial companies, as announced by the Ministry of Corporate Affairs, the Company has adopted IND AS from April 01, 2022 with transition date of April 01, 2021. For periods upto and including the year ended March 31, 2022, the Company had prepared and presented its financial statements as required under the erstwhile generally accepted accounting principles in India. In order to give effect of the transition to IND AS financial statements for the year ended March 31, 2023, together with comparative financial information for the previous year ended March 31, 2022 and the transition date balance sheet as at April 01, 2021 have been prepared under IND AS. The transition involves significant changes to the Company's policies and processes relating to financial reporting, including generation of reliable and supportable information. Further, the management has exercised significant judgement for giving the effect of principles of First-time Adoption of Indian Accounting Standards(IND AS 101), as at transition date including election of available options for transition of balances as at transition date from the erstwhile generally accepted accounting principles to IND AS and to determine the impact of the new accounting framework on certain accounting and disclosure requirements prescribed under extant Reserve Bank of India ('RBI') directions.</p>	<ul style="list-style-type: none"> <li>• Assessed the Company's process to identify the impact of adoption and transition to the new accounting standards.</li> <li>• Evaluated the design of internal controls and tested the operating effectiveness of key internal controls around the process of preparation of Standalone Financial Statements;</li> <li>• Reviewed the exemptions availed by the Company from certain requirements under IND AS;</li> <li>• Obtained an understanding of the governance over the determination of key judgments;</li> <li>• Evaluated and tested the key assumptions and judgments adopted by management;</li> <li>• Assessed the disclosures made against the relevant IND AS; and</li> <li>• Determined the appropriateness of the methodologies and models used along with responsibility of the outputs.</li> </ul>

2	<b>Impairment of Loans-Expected Credit Loss(ECL)</b> Ind AS 109 : Financial Instruments("IND AS 109") requires the Company to provide for impairment of its Loans & Advances using the Expected Credit Loss("ECL") approach. In the process, significant degree of judgement has been applied by the management for calculation of Expected Credit Loss("ECL")	<b>Our audit procedures are as under:</b> <ul style="list-style-type: none"> <li>• Considered the Company's accounting policies for impairment of loans and receivables and assessed compliance with the policies in terms of Ind AS 109 : Financial Instruments and the governance framework approved by the Board of Directors pursuant to Reserve Bank of India guidelines issued on March 13, 2020(" the RBI Guidelines")</li> <li>• Evaluation of the appropriateness of the impairment principles based on the requirements of Ind AS 109.</li> <li>• Assessing the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge.</li> <li>• Testing of management review controls measurement of impairment allowances and disclosures in financial statements.</li> <li>• Testing of details over calculation of impairment allowance for assessing the completeness, accuracy and relevance of data.</li> <li>• We have checked the stage classification as at the balance sheet date as per definition of default of the company;</li> </ul>
---	---	---

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information indentified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibilities for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true

and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's standalone financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal standalone financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by the Non-Banking Finance Companies Auditors Report (Reserve Bank) Directions, 2016, we give in Annexure B, statement on the matters specified in the order, to the extent available.
3. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

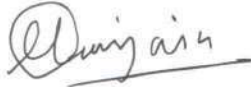

- (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss including Other Comprehensive Income, the standalone Statement of Changes in Equity and the standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the IndAS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls refer to our separate Report in "Annexure C". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act as amended in our opinion and to the best of our information and according to the explanations given to us the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31<sup>st</sup> March, 2023.
  - iv. (a) The Management has represented that to the best of its knowledge and belief as disclosed in the notes to the accounts no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies) including foreign entities ("Intermediaries") with the understanding whether recorded in writing or otherwise that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee security or the like on behalf of the Ultimate Beneficiaries.
  - v. (b) The Management has represented that to the best of its knowledge and belief as disclosed in the notes to accounts no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies) including foreign entities ("Funding Parties") with the understanding whether recorded in writing or otherwise that the Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on

behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee security or the like on behalf of the Ultimate Beneficiaries.

- vi. (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provide under (a) &(b) above contain any material mis-statement.
- vii. The company has not declared dividend or paid dividend during the year and has not proposed final dividend for the year.
- viii. Provisio to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of accounts using accounting software which has a feature of recording audit trail (edit log) facility is applicable with effect from April 1, 2023 to the company and its subsidiaries, which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023

## ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph I under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of VSJ Investments Private Limited of even date)

With reference to the Annexure A referred to in the Independent Auditor's Report to the members of the Company on the standalone financial statements for the year ended 31 March 2023, we report the following:

### i. **Property, Plant and Equipment and Intangible Assets**

- a. The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- b. The company is not owing any Intangible Assets.
- c. The Property, Plant and Equipment have been physically verified during the year by the management and as per explanation received no material discrepancies between the book records and the physical assets have been noticed.
- d. According to the information and explanation given to us and on the basis of examination of the records of the Company, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) are held in the name of the company.
- e. The company has not revalued its Property, Plant and Equipment during the year.
- f. According to information provided by the company there is not any proceeding initiated for holding any beneficial property under the benami transaction (prohibition) Act 1988.

### ii. **Inventory and Working Capital Limits**

- a. The company does not have any inventory of finished goods, stores, spares and raw materials. Accordingly, Clause 3(ii) of the Order is not applicable to the company
- b. During any point of the year, the company has not been sanctioned working capital limits in excess of five crores rupees, in aggregate from banks or financial institutions on the basis of security of current assets and hence reporting on paragraph 3(ii) of the Order is not applicable.

### iii. **Loans and Advances**

During the year, the company has made investments in , provided any guarantee or security or granted any loans and advances in the nature of loans, secured or unsecured, to companies and other parties and we state as follows:

- a. Company is in the business of providing loans, hence clause iii(a) of the order is not applicable to the Company
- b. The investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in nature of loans and guarantees provided during the year are, in our opinion, prima facie not prejudicial to the Company's interest;
- c. In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are irregular in case of 20 loan account amounting to Rs. 19166.91 lakhs.
- d. There are overdue amounts for more than ninety days, reasonable steps have been taken by the company for recovery of principal and interest

Amount in Lakhs

No. of Cases	Principal Amount Overdue	Interest Overdue	Total	Remarks, if any
20	19166.91	1,967.77	21134.68	Reminders are send by the company to borrowers on regular intervals

- e. Company is in the business of providing loans, hence under clause(iii)(e) of the Order is not applicable to the Company
- f. To the best of our knowledge and belief, Company has not granted loan to promoters, related parties as defined u/s 2(76) of the Companies Act, 2013. The company has granted loans or advances in the nature of loans which are repayable on demand or without specifying any terms of period of repayment, details are as under:

No. of Cases	Aggregate amount in lakhs
2	4,365.00

- iv. According to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees, and securities provided, as applicable.
- v. According to the information provided to us, the Company has not accepted deposits from public as defined according to the provisions of Section 73 to 76 of the Companies Act, 2013 and Rules framed thereunder or amounts which are deemed to be deposits. Accordingly, clause 3(v) of the Order is not applicable.
- vi. Reporting under clause 3(vi) of the Order is not applicable as the company's business activities are not covered by the Companies (Cost Records and Audit) Rules, 2014.
- ix. **Statutory Dues**
- a. According to the information and explanations given to us and as per records verified by us, the company is regular in depositing undisputed statutory dues including goods and service tax, provident fund, income tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities to the extent applicable to the company. There were no undisputed amounts outstanding as on March 31, 2023 towards provident fund, income tax, sales tax, wealth tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the extent applicable to the company that have not been deposited for more than six months from the date they became payable.
- b. According to the information and explanations given to us and as per records verified by us, there are no statutory dues which have not been deposited on account of any dispute
- viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act 1961 during the year.

**ix. Repayment of Dues**

- a. The Company has not defaulted in repayment of loans or other borrowings or in the payments of interest thereon to any lender;
- b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared willful defaulter by any bank or financial institution or government;
- c. According to the information and explanations given to us and on the basis of our audit procedures, the term loans were applied for the purpose for which the loans were obtained;
- d. According to the information and explanations given to us and the procedures performed by us, and on overall examination of the financial statements of the company, we report that no funds raised on short term basis have been used for long term purposes by the company.
- e. The Companies principal business is to give loans and accordingly reporting under clause 3 (ix)( e) of the Order is not applicable to the company
- f. The company has not raised loans during the year on the pledge of securities held by its subsidiaries, associates or joint ventures;

x. According to the information and explanation given to us the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.

**xi. Frauds**

a. Based upon the audit procedures performed and the information and explanations provided to us by the management, we report that no fraud by the company or on the Company by its officers or employees has been noticed or reported during the year under report.

b. No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with Central Government.

c. According to the information and explanations given to us and the procedures performed by us, there are no whistle-blower complaints received by the Company during the year (and upto the date of this Report)

xii. According to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards

xiv. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business. We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

**xvi. Registration Under Section 45-IA of Reserve Bank of India Act, 1934**

a. In our opinion the company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and such registration is obtained.

b. The company has a valid Certificate of Registration(CoR) from Reserve Bank of India as per the Reserve Bank of India Act, 1934;

c. In our opinion, there is not core investment company(CIC)(as defined in the Core Investment Companies(Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) of the order is not applicable.

d. In our opinion, there is no core investment company(CIC) within the group(as defined in the Core Investment Companies(Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the order is not applicable.

xvii. The company has not incurred cash losses during the financial year but same is incurred in the

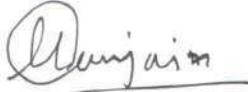

immediately preceding financial year.

Particulars	Amount in Lakhs	
	Current Financial Year	Previous Financial Year
Net Profit/(Loss) Before Tax	1099.09	(157.10)
<b>Non-cash Items</b>		
Depreciation/Amortisation	56.76	50.32
Cash Profit/(Loss)	1,155.85	(106.78)

- xviii. There has been resignation of the statutory auditors due to preoccupancy of work and same was accepted in previous annual general meeting and new auditors were appointed to fill the vacancy..
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- xxi. The Company is not required to prepared consolidated financial statements and hence paragraph 3(xxi) of the Order is not applicable to the Company

## ANNEXURE "C" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report of even date)

### Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of VSJ Investments Private Limited ("the Company") as at March 31, 2023, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's responsibility for internal financial controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Act to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

#### Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

**NOTES ON THE FINANCIAL STATEMENTS**

for the year ended 31 March 2023

**1. CORPORATE INFORMATION**

VSJ Investments Private Limited (the "Company" or VSJ) was incorporated as a private limited company on 9th June 1993 having Corporate Identity Number U65910MH1993PTC297964.

The Company is engaged in the business of promoting financial services such as finance, acquisition of non-performing and distressed assets (NPA) from Banks and Financial institutions and resolving them.

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and disclosures requirement of Division III of revised Schedule III of the Companies Act 2013, (Ind AS Compliant Schedule III), as applicable to standalone financial statement.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Financial Statements').

The financial statements of the Company for the year ended 31 March 2023 were approved for issue in accordance with the resolution of the Board of Directors on 8<sup>th</sup> September 2023.

**3. BASIS OF PREPARATION AND COMPLIANCE WITH IND AS**

The Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting year, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an

asset or a liability, the Company takes in account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, fair value of plan assets within scope the of Ind AS 19 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in IND AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest two decimals of Lakhs, unless otherwise stated

**Current and non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out under Ind AS and in the Schedule III to the Act. Based on the nature of the services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non- current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as noncurrent only.

CIN :U65910MH1993PTC297964

4. SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements is as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

4.1. Revenue Recognition

"Revenue is measured at the fair value of the consideration received or receivable. The company is generally able to make reliable estimates after it has agreed to the following with the other parties to the transaction:

- a. each party's enforceable rights regarding the service to be provided and received by the parties;
- b. the consideration to be exchanged; and
- c. the manner and terms of agreements or offer documents."

4.2. Lease

At inception of Contract, the Company assesses whether the Contract is or contains a Lease. A Contract is, or contains, a lease if the Contract conveys the right to Control the use of an identified asset for a period of time in exchange for Consideration. At inception or on reassessment of a contract that contains a lease Component, the Company allocates Consideration in the contract to each lease component on the basis of their relative standalone price.

**As a Lessee**

The Company accounts for each lease component within the contract as a lease separately from nonlease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. The Company recognises right of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that such options would be exercised.

The right-of-use assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted

for any remeasurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.

Lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications. The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of profit and loss in the period in which the events or conditions which trigger those payments occur.

Payment made towards leases for which non-cancellable term is 12 months or lesser (short-term leases) and low value leases are recognised in the statement of Profit and Loss as rental expenses over the tenor of such leases.

In a sale and lease back transaction, the Company measures right-of-use asset arising from the leaseback as the proportion of the previous carrying amount of the asset that relates to the right-of-use retained. The gain or loss that the company recognises in the statement of profit and loss is limited to the proportion of the total gain or loss that relates to the rights transferred to the buyer.

**As a lessor**

Leases for which the Company is a Lessor is classified as Finance or operating Lease. Lease income from operating leases where the Company is a Lessor is recognized in income on a straight-line basis over the Lease Term unless the receipts are structured to increase in line with expected general

CIN :U65910MH1993PTC297964

inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

#### 4.3. Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets as defined in Ind AS 23 are capitalized as a part of costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

Interest expenses are calculated using the EIR and all other Borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred. Actualising possibilities. Accelerating progress.

#### 4.4. Employee Benefits

##### Long term employee benefits

Payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund and provident fund are recognised as expense when employees have rendered service entitling them to the contributions. The Company has no further payment obligation once the contribution have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are due.

##### Defined benefit plan

Defined benefit plans comprising of gratuity, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligations which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) are recognised as an expense within employee costs.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

The retirement benefit obligations recognised in the balance sheet represents the present value of the defined benefit obligations as reduced by the fair value of plan assets.

##### Compensated absences

The Company has liabilities for earned leave that are not expected to be settled wholly within 12 months

after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method with actuarial valuation being carried out at each yearend balance sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the period in which they arise.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### 4.5. Income Tax

##### Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

##### Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying value of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

#### 4.6. Property, Plant and Equipments and Intangible Assets

Property, plant and equipment (except freehold land) held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at historical cost less accumulated

CIN :U65910MH1993PTC297964

depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is not depreciated.

**Depreciation & amortization**

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the written down value method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation commences when the assets are ready for their intended use. Depreciation on Property, Plant and Equipment has been provided on the written down value method over their estimated useful life, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, etc.

**Estimated useful lives of such assets are as follows:**

Sr. No	Asset Head	Useful Life
1	Buildings	60
2	Computer	3
3	Motor Vehicle	8
4	Furniture	10
5	Office Equipment	5

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Consolidated Statement of Profit and Loss.

**Capital work-in-progress**

Capital work-in-progress comprises of assets in the course of construction for production or/and supply of goods or services or administrative purposes, or for purposes not yet determined, are carried at cost, less any recognised impairment loss. At the point when an asset is operating at management's intended use,

the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised where the asset is available for use and commissioning has been completed. Capital work-in-progress also includes spares which are yet to be put to use.

**Intangible assets**

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Computer Software are amortised on written down value method over the estimated useful life ranging between 4-6 years.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

**4.7. Impairment of non-financial assets**

At the end of each reporting year, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

CIN :U65910MH1993PTC297964

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

#### 4.8. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the management's best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Present obligations arising under onerous contracts are recognised, measured and disclosed as provisions in consolidated financial statements. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are

not recognised but disclosed only when an inflow of economic benefits is probable.

#### 4.9. Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- estimated amount of contracts remaining to be executed on capital account and not provided for;
- uncalled liability on shares and other investments partly paid; and
- other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to procurements made in the normal course of business are not disclosed to avoid excessive details.

#### 4.10. Statements of cash flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- changes during the period in receivables and payables transactions of a non-cash nature;
- non-cash items such as depreciation, provisions, deferred taxes; and
- all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

#### 4.11. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when Company becomes party to the contractual provisions of the instruments.

##### Initial Measurement of Financial Instruments

Financial assets and financial liabilities are initially measured at fair value except for trade receivables which are initially measured at transaction price.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are

CIN :U65910MH1993PTC297964

added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### Subsequent Measurement of Financial Assets

All recognized financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortized cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

#### Interest income

Interest income is accrued on a time basis, by reference to the amortised cost and at the effective interest rate applicable.

#### Classification of Financial Assets

- Debt instruments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI), are subsequently measured at amortized cost;
- all other debt instruments (e.g. debt instruments managed on a fair value basis, or held for sale) and equity investments are subsequently measured at FVTOCI

#### Debt instruments at amortised cost or at FVTOCI

The Company assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the individual asset basis and the Company's business model for managing the asset.

For an asset to be classified and measured at amortised cost or at FVTOCI, its contractual terms should give rise to cash flows that are meeting SPPI test.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. That principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed at individual basis and collectively to achieve a particular business objective.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognized in OCI is reclassified from equity to profit or loss. In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment

Investments in equity instruments are classified as FVOCI, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Security receipt investments in scope of Ind AS 109, "Financial Instruments" are measured at fair value. Security Receipts are classified as at FVTOCI. Gains and losses on security investments are included in the statement of profit or loss.

#### Financial assets at fair value through profit or loss (FVTPL).

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and

CIN :U65910MH1993PTC297964  
losses on them on different bases.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss.

#### Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. During the current financial year and previous accounting period there was no change in the business model under which the Company holds financial assets and therefore no reclassifications were made. Changes in contractual cash flows are considered under the accounting policy on modification and de-recognition of financial assets described below.

#### Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, trade receivables and other contractual rights to receive cash or other financial asset.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument.

Based on the above process, the Company categories its loans into Stage 1, Stage 2 and Stage 3, as described below:

- Stage 1 - Performing assets with zero to thirty days past due (DPD). Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.
- Stage 2 - Under-performing assets having 31 to 90 DPD. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3.
- Stage 3 - Under-performing assets with overdue more than 90 DPD including non-performing assets

For loans, Company measures the loss allowance at

an amount equal to 12 months expected credit loss for Stage 1 and life time expected credit loss for Stage 2 class categories of loans. For Stage 3 financial asset, the measurement of loss allowance is based on the present value of the asset's expected cash flow using the asset's original EIR.

For other receivables in distress credit business, Company measures life time expected credit loss allowance based on practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account the historical credit loss experience and adjusted for forward looking information.

#### De-recognition of financial assets

The Company derecognizes a financial asset when the Company has transferred the right to receive cash flows from the financial assets or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

#### Write off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

CIN :U65910MH1993PTC297964

## Financial liabilities and equity instruments

### Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

### Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company or a contract that will or may be settled in the its's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the its own equity instruments.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

### Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or

- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost.

### Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition

### De-recognition of financial liabilities

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognized in profit or loss.

## 4.12. Earnings Per Share

### Basic earnings per share

Basic earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue

CIN :U65910MH1993PTC297964

to existing shareholders, share split and reverse share split (consolidation of shares).

#### **Diluted earnings per share**

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares including the treasury shares held by the Company to satisfy the exercise of the share options by the employees.

For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. For the purpose of calculating diluted earnings per share, the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

#### **4.13. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

#### **5. Significant accounting judgements, estimates and assumptions**

Critical accounting judgments and key sources of estimation uncertainty The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognized in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective

basis) and recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the standalone financial statements and/ or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year

#### **Fair value measurement and valuation processes**

Some of the Company's assets are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements.

In estimating the fair value of an asset, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party external rating agencies to perform the valuations. The Management works closely with the qualified external rating agencies to establish the appropriate valuation techniques and inputs to the model.

Information about the valuation techniques and inputs used in determining the fair value of various assets.

#### **6. New and amended standards issued but not effective.**

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2023.

The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications.

These amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the Company's accounting policy already complies with the now mandatory treatment

7. CIN :U65910MH1993PTC297964  
**TRANSITION TO IND AS**

**Overall principle**

The accounting policies have been applied in preparing the financial statements for the year ended 31 March, 2023, the comparative information presented in these financial statements for the year ended 31 March, 2022 and in the preparation of an opening Ind AS transition balance sheet as at 1 April, 2021 (the Company's date of transition). In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation of how the transition from previous Indian GAAP to Ind AS has affected the Company's financial position, financial

performance and cash flows is set out in notes.

**Exemptions and Exceptions availed:**

We have set out below the applicable Ind AS 101 optional and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

**Ind AS Exemptions:**

**Estimates:**

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 01 April, 2021 are consistent with the estimates as at the same date made in conformity with previous GAAP.

36. FIRST-TIME IND AS ADOPTION RECONCILIATIONS

Reconciliation of total equity as at 31 March, 2022 and 01 April, 2021 and profit or loss for the year ended March 31, 2022:

Particulars	Net profit Reconciliation		Equity Reconciliation	
	Note No.	Year ended March 31, 2022	As at March 31, 2022	As at April 01, 2021
Net profit / equity as per previous GAAP		69.32	758.45	689.12
<b>Ind AS Adjustments:</b>				
Provision for expected credit Loss		7.71	7.71	(136.08)
Gain / (loss) on fair valuation of investments		155.66	155.66	12.30
Share issue expenses		-	(224.89)	-
Deferred tax impact on above		(156.58)	(156.58)	17.92
Opening adjustment (as at 1 <sup>st</sup> April 2021)		-	(105.86)	-
<b>Total</b>		<b>76.12</b>	<b>434.49</b>	<b>583.26</b>
<b>Net profit / Equity for the year as per Ind AS</b>		<b>(184.83)</b>		
Other comprehensive income (net of tax)		260.95		
<b>Total Comprehensive income / Equity as per Ind AS</b>		<b>76.12</b>		

Notes:

- Under previous GAAP, provision for standard assets / doubtful loans was calculated using incurred loss model. Under Ind AS, the provision on financial assets and commitments, are determined using the expected credit loss model.
- Under previous GAAP, the investment in Equity, Debentures and units of mutual funds were carried at cost. However, under Ind AS, these are measured at fair value through profit and loss.
- Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind-AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. It also includes impact of deferred tax arising on account of transition to IND AS.

37. CHANGES IN ACCOUNTING POLICIES

The accounting policies and practices followed in the preparation of the standalone financial statements for the year ended 31 March 2023 are the same as those followed in the preparation of the standalone financial statements for the year ended 31 March 2022, except for the change in accounting policy as explained in below.

- "Presentation of financial statements". During the year ended on 31 March 2023, the Company has received a directive from the Reserve Bank of India to book such gain upfront in the statement of profit and loss in

CIN :U65910MH1993PTC297964

accordance with Ind AS 109 instead of amortising it over the period of the underlying residual tenure of the assigned loan portfolio.

The new accounting policy has been implemented retrospectively and being presented from the beginning of the earliest period i.e. 1 April 2021. On account of new policy, in case of derecognition of loans upon assignment prior to 1 April 2021, where underlying residual terms of the assigned portfolio was falling on or after 1 April 2021, the Company has decreased other equity by Rs. 105.86 lakhs.

As per the requirement of Ind AS 8, the Company has restated the financial information of previous financial year 2021-22 to reflect the change in accounting policy as explained above. The following table summarises the reconciliation of figures restated with previously reported figures. The tables show the adjustments recognised for each individual line item.

### 38. SEGMENT REPORTING

The company primarily focuses on distressed credit as its core business, with all other activities ancillary to this main operation. The company does not have distinct geographic segments, and therefore, there are no separate reportable segments as per IND AS 108, which pertains to "Segment Reporting."

### 39. FOREIGN CURRENCY EXPOSURE AND UN-HEDGED FOREIGN CURRENCY EXPOSURE

The company has no exposure to foreign currencies, whether hedged or unhedged.

**40. FINANCIAL INSTRUMENTS**

**40.1. Categories and hierarchy of financial instruments**

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale. The following methods and assumptions have been used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short-term maturities of these instruments

Financial Instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rate and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

**Fair value hierarchy**

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

All financial assets and liabilities are classified as level 3 and hence the carrying value represents the fair value of the financial assets and liabilities.

The carrying values of the financial instruments by categories were as follows:

Particulars	As at 31 March 2023			As at 31 March 2022

**40.2. Financial risk management objectives and policies:**

The Company's activities expose it to credit risks, liquidity risks and market risks.

Risk management forms an integral part of the business and as it being into distressed credit business it exposed to several risks related to stress assets i.e. non-performing assets (NPA) acquired from banks and financial institutions. The Company has a robust account monitoring system which ensures early detection of risks whereby timely action

CIN :U65910MH1993PTC297964

can be taken to surmount any avoidable slippages. The Company has an effective mechanism of driving business through policies and committees. The Company has well balance and experienced team of resources to drive its business.

The Company has established Risk Management Committee, responsible for identifying, developing, monitoring and mitigating all the risks related to its business. The committees reports to the board of directors on regular basis.

#### 40.2.1. Credit risk

Credit risk is the risk of loss that may occur from the failure of party to abide by the terms and conditions of any financial contract, principally the failure to make the required payments. In order to minimize credit risk, the Company has adopted a policy of acquisition of asset in a transparent manner and at a fair price in a well-informed market, and the transactions are executed at arm's length in exercise of due diligence and adopt an industry / sector neutral and geography neutral approach in targeting financial assets for acquisition. Credit risk management is achieved by considering the factors like cash flow, collateral values, etc.

In order to minimize credit risk, the Company has tasked its Risk Management Committee to develop and maintain the Company's credit risk grading's.

Company has classified its receivables in to following categories:

- Loans given ; and
- Other receivables under distress credit business.

#### Provision for expected credit loss

##### 1. For loans:

Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. The Company's current credit risk rating and grading framework comprises the following categories:

For stage-1 performing assets- 12 months Expected Credit Loss (ECL); and

For stage-2- under-performing assets- lifetime ECL (on default occurred); and

For stage-3-credit impaired assets-based on expected cash flows

##### i. Movement of gross carrying amount in loans given:

Particulars	As at March 31, 2022			
	Stage 1	Stage 2	Stage 3	Total
ECL allowance - opening balance	136.08	-	-	136.08
Addition during the year	28.29	-	-	28.29
ECL allowance - closing balance	164.37	-	-	164.37

40.2.2. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. However, the Company believes that it has a strong financial position and business is adequately capitalized, have good credit rating and appropriate credit lines available to address liquidity risks.

Ultimate responsibility for liquidity risk rest with the management, which has established an appropriate liquidity risk framework for the management of the Company's short term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Exposure to liquidity risk

The following are the details of Company's remaining contractual maturities of financial liabilities and assets at the reporting date. The amounts are gross and undiscounted.

As at March 31, 2023

(₹ in Lakhs)

Particulars	Carrying amount	Total	Maturity			
			0-1 year	1-3 years	3-5 years	More than 5 years
<b>Financial Liabilities</b>

<b>Total</b>	<b>25,175.51</b>	<b>25,175.51</b>	<b>25,175.51</b>			

**Note**

- The maturities of non-derivative financial liabilities are based on the earliest date on which the Company may be required to pay.
- The maturities of the financial assets are based on the management's estimation on realization.
- The liquidity gap between 0-1 year for the financial year 2021-22 would be met by refinancing through bank facilities /other refinancing options. The liquidity gap includes inter corporate deposit payable to related party which are payable on call and also Bank working capital balances which are annually renewable.

**40.2.3. Market risk**

The Company's activities expose it primarily to the financial risks of changes in interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

**1. Interest rate risk**

The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. Management is to assess the interest rate risk and provide appropriate guidelines accordingly. Management reviews the interest rate risk on periodic basis and decides on the appropriate funding mix.

**Exposure to interest rate risk**

The exposure of the Company's borrowings to the interest rates risk at the end of the reporting period is:

Borrowings:	(₹ in Lakhs)	
	As at March 31, 2023	As at March 31, 2022
Fixed rate borrowings	9,277.45	4,310.30
Floating rate borrowings	-	-
<b>Total</b>	<b>9,277.45</b>	<b>4,310.30</b>

**Interest rate Sensitivity analysis:**

As all the borrowings are fixed borrowing the interest rate sensitivity analysis has not been performed.

**41. CAPITAL MANAGEMENT**

The Company manages its capital to ensure that the Company will be able to continue as going concerns while maximizing the return to stakeholders through the optimization of the debt and equity balance.

The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants. The Company monitors capital using debt to equity ratio.

Particulars	As at 31 March 2023	As at 31 March 2022
Borrowings	9,277.45	4,310.30
Less: Cash and cash equivalent	(14,706.87)	(19,996.38)
Less: Current investments	(191.60)	(592.39)
<b>Net debt</b>	<b>(5,621.02)</b>	<b>(16,278.46)</b>
<b>Total equity</b>	<b>27,309.97</b>	<b>21,151.74</b>

- Equity includes all capital and reserves of the Company that are managed as capital.
- Net debt of the company is less than total equity.
